DEMPSEY MAY MEET JOE BECKETT  
ENGLISH OFFER PURSE FOR BOUT

NEW YORK, Dec. 4.—Will Jack Dempsey, present champion heavyweight of America, might fight Joe Beckett, British champion, in London during January. And Jack Curley, who was interested in promoting the contest, Beckett, clear of any claim of being a champion, but it is always interesting to the followers of the game to know the inside facts.

Get Big Money. The report comes from London with the above information and it is further stated that Dempsey is to get \$10,000 for Beckett, clear of all taxes, in addition to expenses. The affair is being handled by R. B. (Babe) Welch, formerly of America, and the referee of battle is to be the White City in London. In writing of the matter, A. J. Daniels says:

The most important contract brought by Mr. Welch is that of Jack Dempsey, who we now learn is managed jointly by Jack Kearns and Jack Grier. The contract is not only signed by the manager, but bears the seal and signature of the New York boxing commission and it is the names of five witnesses before a notary public. Furthermore, the fight is to be held at the White City, which they will have should they fall to come over here. Dempsey is to receive \$100,000 in American money to meet Beckett or any man they may select in Europe, which of course has given out.

MIDDLE CHAMP  
INJURED; MAY  
NOT BOX SOON

Johnny Wilson Loses Much Money by Injury to Nose; Wants to Re-Enter Ring.

Chicago, Ill., Dec. 4.—Johnny Wilson, middleweight champion, has been most unfortunate in meeting with an accident to his nose, which has made it impossible for him to box for some time. Wilson has been laid up ever since a fight with a badly injured nose.

It has been the story of Wilson's career since he was first of the year. When he is ready there is one man—Harry Greb—who is on his trail. Greb wants to fight the champion for a title shot and will make the middleweight limit of 160 pounds for the match.

McCarthy, former middleweight star, has been talking of coming back and trying to get it, but it is doubtful whether the "Iron Horse" can make the weight limit. Mike O'Dowd also clamors for another chance and Jeff Smith wants a crack at it.

EVERY day you see Hudsons two and three years old, which, both in performance and style, might well be judged of recent production.
